

## KTXA PROGRAM/ISSUES REPORT

### April 1-June 30, 2011

Attached are listings of broadcasts that, in the Station's judgment, reflect the Station's most significant programming treatment of ascertained issues during the preceding three months.

The primary vehicles used by the Station are TXA 21 News (weeknights at 7pm and 8pm). The station also broadcast a series called Get Healthy Texas, a segment in newscasts which focuses on ways to help those in our community to live healthier lives as well as quarterly Get Healthy Texas programs that air in prime time.

During the TXA 21 newscasts, viewers can chat online with the anchors. Some of the viewers' comments are shared on-air.

#### KTXA TXA 21 Quarterly Issues Report April-June 2011
